### **Tribute to Martin Baker.**

1. One minutes applause 52 minutes next game
2. The opportunity to have flag tributes on away terrace at next home game
3. Article in programme at the next home game
4. A plaque where Martin stood on the Thatchers Terrace. This to be installed later in the season.

### **Abandoned Haringey Borough FA Cup fixture.**

Recent events were discussed at length and it was concluded that:

- The investigations by the authorities should be finished before the Alliance concluded on how to move forward.
- It was felt important that any fan accused of any unacceptable behaviour should have the opportunity to defend themselves, however ultimately if anyone was found to have carried out unacceptable behaviour, they should receive an appropriate ban or other form of sanction from the club.
- Many felt that many of the media stories run to date on this subject had been incorrect and made judgements not reasonably possible before the conclusion of the investigations by the authorities.

### **Update on Catering and the Shop**

- It was confirmed that changes to the arrangement and operation of the first floor on match days should shortly result in improved options for all home fans to use the first floor.
- Changes to how the shop operate had been made and Alliance members support in shop operations going forward would be requested via separate meetings.
